PROFESSIONAL SUMMARY

Motivated BCA student (6th Semester) with strong interest in **Python Programming**, **Software Development**, **AI Technologies**, and **Web Development**. Experienced in applying technical knowledge through academic projects and real-world supervision experience. Skilled in **Problem Solving**, **Project Coordination**, and **Teamwork** with a commitment to continuous learning in modern software engineering.

EDUCATION

Manipal University Jaipur Bachelor of Computer Applications (BCA)	2023 – Present
• Semester 1 SGPA: 6.63 • Semester 2 SGPA: 5.45 • Semester 3 SGPA: 6.11 • Semester 4 SGPA: 7.70 • Semester 5 SGPA: 7.62 • Currently in 6th Semester	
VOIL Institute Diploma in Spoken English	2025
Andhra Pradesh Open School Society Intermediate – First Division	2023
CMTES Institute Diploma in AutoCAD – 73%	2006
Board of Secondary Education, Andhra Pradesh SSC Completed	1994

PROJECT

Fake Currency Detection Using Machine Learning Techniques

Python, OpenCV, Image Processing

- Developed a system to identify genuine and counterfeit Indian currency notes.
- Processed images of Rs. 100, Rs. 200 and Rs. 500 notes.
- Applied image preprocessing and feature extraction techniques.
- Implemented note verification using Python and OpenCV.
- Designed a simple interface for uploading and analyzing currency note images.

EXPERIENCE

Aarthi Furniture Works

1992 – 2020

Interior Contracting & Project Supervision

- Supervised interior construction and furniture installation projects.
- Managed workforce, materials, and project schedules.
- Ensured quality control and timely completion of projects.
- Coordinated with clients and workers to maintain project efficiency.
- Assisted in planning, execution, and monitoring of interior projects.

SKILLS

- Programming Languages: Python, C, C++, Java (Basics)
- Database: SQL, DBMS
- Web Technologies: HTML, CSS, Web Design
- Core Concepts: Data Structures (Basics), Visual Programming
- Software Engineering: SDLC, Software Testing Basics
- Tools: AutoCAD, MS Office

CERTIFICATIONS

- IBM Introduction to Software Engineering (Coursera)
- IDM Software Engineering Certification
- AutoCAD Expert Certification
- English Proficiency Certification
- Diploma in Spoken English (VOIL Institute)
- Communicative English-I (Grade A)
- Communicative English-II (Grade B+)

VOLUNTEER EXPERIENCE

- Participated in blood donation drives supporting healthcare initiatives.
- Volunteered in community service and social welfare activities.
- Promoted awareness about social responsibility and community support.
